Parents may apply for the non-local enrolment of their child. A separate application form is required for each school.

Priority for enrolment will be given to students entering Kindergarten.

Places may also be available in years 1 – 6.

Reasons for choosing non-local placements may include:

- Proximity and access to the school
- Siblings already enrolled at the school
- Medical reasons
- Safety and supervision of the student before and after school
- Special interest and abilities
- Compassionate circumstances

The number of students a school may enrol is limited by the availability of classroom space. This means that some schools may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.
