Dear Parents,

Welcome back to Term 2. A busy term has been planned across kindergarten. Many activities are based around our HSIE unit, Meeting Needs. Our first excursion is to the Farm in week 7. This will be very exciting. Each class teacher will need a couple of parents to assist. Please let the teachers know if you are interested in attending. Unfortunately we can only take 2 per class. There will be other opportunities during the year.

For the first five weeks of this term we are learning all about pets.

Could your child choose from their soft toys at home a ‘pet’ and bring to school? For example a toy dog, cat, turtle, rabbit, snake etc. Ensure it is a toy they would be happy to leave at school for 5 weeks. We will be using our pets for many activities, including a pet show.

We will be completing a design and make task –building a home for their pet. Could you please collect and send in to school ‘junk’ construction materials over the next 2 weeks e.g. cardboard cartons, paper rolls, small containers, cereal boxes and fabric.

Thank you and regards,

The Kindergarten Teachers.
