What payment methods can I use?

FlexiSchools accepts payment via Visa, Mastercard, and Bank Transfer. To perform a bank transfer to your FlexiSchools account, click ‘Top-up Account’ when logged into the FlexiSchools website and select ‘Bank Transfer’; you will be given your unique EFT code. You can then make a transfer via your bank’s internet facility or at your branch.

What Does it Cost?

There is a 25c fee for each order to help pay for the labels and the website system.

How Does It Work?

Go to [www.flexischools.com.au](http://www.flexischools.com.au) and click “Register Now” in the Login Box. Then enter your student’s name, school and class, and add funds (say $50) into a pre-paid account. You can log into the website at any time to place orders but they must be placed by 9am the day the order is required. You can have an email sent to you to confirm your order. As purchases are made, the funds are taken from your pre-paid account. The account can be topped up again in the same way, or set to automatically top-up via credit card when the balance falls below a preset minimum. Each order is downloaded at the tuckshop, where an easy-to-read label is produced with the student’s name, class and order details. At lunch time a class monitor collects the lunches for their class from the tuckshop. After eating lunch your child can collect any ordered frozen treats from the tuckshop.
